LB 907, 643

PRESIDENT: All in favor say aye. Contrary say nay.
They are adopted.

CLERK: Mr. President, Senator George now moves to amend:
"Strike original section one and insert a new section one.
Any fire department of any village or city of the second
class may be merged with the rural fire protection dis-
trict pursuant to this act." That may be found on page
1240 of the Journal, Mr. President.

PRESIDENT: Senator George.

SENATOR GEORGE: Mr. President, and members, this is just
a friendly amendment. I've discussed it with Senator
Carsten. So far the bill would just be for villages and
with this amendment it would also include second class
cities. They do have the same problem and they would
like to be included. I move for the adoption of the
amendment.

PRESIDENT: Any discussion? The question then is the
adoption of Senator George's amendment. Record your vote.
Please vote. Record.

CLERK: 27 ayes, 0 nays on the adoption of Senator George's
amendment, Mr. President.

PRESIDENT: It's adopted, Senator George. Is that the end
of it?

CLERK: I have nothing further on the bill, Mr. President.

PRESIDENT: Senator Cullan moves to advance the bill.
All in favor say aye. Contrary say nay. The bill is
advanced. LB 643.

CLERK: Mr. President, LB 643, there are no E & R amend-
ments. However, Senator Bereuter has amendments which
may be found on page 1459 of the Journal.

PRESIDENT: Would the Sergeant at Arms find Senator
Bereuter? Mr. Speaker, why don't we jump to 330 and
come back to it.

SPEAKER LUEDTKE: Let's proceed to the next one and then
come back to it.

PRESIDENT: 330. Yes. All right.

SENATOR KARLE: It's a friendly amendment.

PRESIDENT: Fine.

SENATOR KARLE: I assume you're discussing the amend-
ment first and this actually is a problem, I believe, in
York, Nebraska. Here's Senator Bereuter so he can handle
it much better than I can.

CLERK: Senator Bereuter, we're discussing your amendment
on page 1459 of the Legislative Journal.

SENATOR BEREUTER: Mr. President, members of the Legisla-
ture, I've let up on my jogging so I'm out of breath. We
have a problem in York that may be a problem as well that
